Re: Milwaukee Job Corps Center Transition

Horizons Youth Services is looking forward to being a part of the Milwaukee Job Corps Center. We are committed to working with each of you to ensure a smooth transition so that there is little disruption to the staff, students, and operations.

I am excited to be part of the team. We believe that our greatest asset is our staff, and our #1 priority is our students. At Horizons Youth Services, we are in the people business. In fact, our motto is **“We Grow People”**. This applies not only to our students but also to our employees.

I look forward to meeting and growing with all of you as we work together with the commitment to help our students achieve their goals.

Let’s do great things!
